

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD  
SAN FRANCISCO BAY REGION

ORDER NO. 78-5

ENFORCEMENT ORDER FOR ISSUANCE OF A TIME SCHEDULE

Order directing Sonoma Valley County Sanitation District to comply with requirements prescribed by the California Regional Water Quality Control Board, San Francisco Bay Region in Order No. 78-1 (NPDES permit no. CA0037800).

The California Regional Water Quality Control Board, San Francisco Bay Region (hereinafter referred to as the Board) finds that:

1. This Board on January 17, 1978, adopted Order No. 78-1 prescribing waste discharge requirements including a compliance time schedule for Sonoma Valley County Sanitation District (hereinafter referred to as the District) in accordance with the statutory requirements of the Federal Water Pollution Control Act and the California Water Code. The NPDES permit contains a compliance date of July 1, 1977, for achieving the effluent limitations as required by the Federal Act.
2. The District has submitted evidence which documents that the above requirements contained in Order No. 78-1 cannot be achieved. The District has participated in the Marin-Sonoma Subregional Agency Study. The Study was delayed due to the Federal EPA requirement for an expanded scope of work for the Agency.
3. The discharger has submitted a time schedule by which he can achieve the above requirements.
4. The Board has notified the discharger and interested agencies and persons of its intent to adopt a time schedule for compliance.
5. The Board in a public hearing heard and considered all comments pertaining to this discharger's ability to achieve compliance.

IT IS HEREBY ORDERED, in accordance with Water Code Section 13300, that:
